Forecast for Thursday 18 Aug 2022

Weather: A cloudy morning with patchy rain or drizzle at times. Drier and clearer weather will spread from the west from early afternoon onwards, but still with the odd shower. Windy on the tops with strong southerly winds.

Chance of cloud-free hill tops above 800m: Little chance in the morning, improving 70% from early afternoon

Low cloud and visibility: Poor in areas of cloud down to 500 to 800 metres. Improving excellent as cloud becomes much more broken from early afternoon onwards but cloud will still linger some of the higher tops as afternoon showers run through.
